Produce Details

Please list all the products that you intend to sell at each Farmer's Market. You will only be permitted to sell produce listed below, and may be asked to remove any undeclared products. If you change your trade or develop new lines you must amend this application form. Where products are very similar (for example, jams or apples), you may list the general types rather than specific variations or varieties. Processed products should also give the approximate percentage of local ingredients used (by weight) – you should keep receipts/orders as proof of local origin, this may be requested by Trading Standards.
